St. Valentine's Day Celebrations Tuesday, February 13, 2024

This year, Ash Wednesday and St. Valentine's Day both fall on February 14th. Ash Wednesday is a sombre occasion that marks the beginning of the 40 days of Lent, and all students in our Catholic schools must celebrate Ash Wednesday on the day recognized by the Church to properly mark the start of Lent. Therefore, we will be combining our Shrove Tuesday celebrations and the St. Valentine's celebration on February 13th.

The month of February marks the beginning of 'Black History Month'. During the month of February at Notre Dame, we will be celebrating the accomplishments and contributions of Black Canadians and Americans, and their central role in our history. We will be reflecting on the impact these pioneers and leaders of the Black community have had, in our communities and countries. We will celebrate and honour the legacy these individuals have laid for future generations to follow. We will be organizing a committee from the student body to help with morning announcements, initiatives, and collaboration. Any interested students are encouraged to speak to Mrs. Visconti or Mrs. Khan next week.
