Dear Parent(s) / Guardian(s).

## Get Ready, Set, JUMP!

Our school has registered in the Heart and Stroke fundraising program **Jump Rope for Heart** on **Monday, June, 10, 2024**. Jump Rope for Heart has been promoting kid's heart and brain health across Canada for more than 40 years! Therefore, we request on that day the students wear **RED** to demonstrate their support.

Jump Rope for Heart encourages students to discover fun ways to get active, practice healthy habits and learn about helping others while raising money to fund critical research on heart disease and stroke to save lives.

Our school goal is \$2,000. If our school raises a minimum of \$500 we will receive 8% of the fundraising dollars back in school equipment. To boost school spirit, participation, and fun if we reach our school goal we will have a **pajama / extra recess day** to celebrate our accomplishment.

On **Monday, May 13th, 2024** we had our exciting Kick Off event to let the students know about the event and how they can win individual gift cards from Toys "R" Us, Indigo, Amazon, or Walmart. During the Kick off, students who answered some heart health questions and who came up to demonstrate their fantastic skipping abilities won some great prizes!

Tax receipts will be provided directly to the donors email address, starting from \$ 5.00 and up. Donations can be made by a company, anonymously, or by name. If you have any questions you can directly contact Heart and Stroke [Contact Us](#).
