## April Virtue: Reverence

I bow my head in Reverence to you... my life, my challenges, my resolutions, my revelations, and my connections.

I bow in Reverence to those I respect, to those I Love, and to those I find difficult to understand.

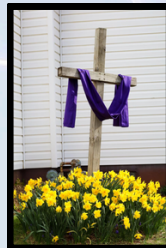

I bow in Reverence to the Divine who walks with me assisting me whether I walk in lightness or darkness.

I bow in Reverence with my eyes and Hear open, Trusting in the What Is of my life.

And lastly, as a final Reverent gesture, I bow to the best of myself which I call to awaken this day.

I have deep gratitude for the path I walk and the Divine Love that accompanies me, and, in this moment, I know I am complete.

Amen

*Easter is the time to rejoice and be thankful for the gift of life and love. Here's wishing you a very Happy Easter that is filled with love and joy!*

## WARMER WEATHER

With the promise of sunny days and warmer temperatures, students will be opting for cooler clothing. At all times, clothing should be appropriate for school – neat, clean, modest, comfortable for themselves and conducive to supporting learning (i.e., two fingers width on the shoulder, no exposed midriiffs, and shorts must be long enough that when the child is standing, their fingertips reach the bottom of their shorts).

## AUTISM AWARENESS DAY

April 2 is Autism Awareness Day. Staff and students are encouraged to wear bright colours of the spectrum to support students with differences.
